

DECLARATION OF INCORPORATION

BRUNA

C/ Recta de Heras, 7 · 39619 San Salvador · Cantabria · España

Authorised representative:

Roberto Bruña

Description and identification of the partly completed machinery:

Sewer and pipe cleaning nozzles
Rotating and vibrating nozzles
Root cutters
Milling tools
Equipment for large-profile cleaning

The following essential requirements of Annex I to Machinery Directive 2006/42/EC have been applied and fulfilled:

General principles
1.1.2 Principles of safety integration
1.1.5 Design of machinery to facilitate its handling
1.3.4 Risks due to surfaces, edges or angles

The relevant technical documentation has been compiled in accordance with Annex VI to Machinery Directive 2006/42/EC.

We undertake to transmit this documentation to the market surveillance authorities, in response to a reasoned request, within a reasonable period and in electronic form.

Person authorised to compile the technical documentation:

[Company or natural person established in the EU]

The partly completed machinery must not be put into service until, where appropriate, it has been established that the machinery into which it is to be incorporated complies with the provisions of the Machinery Directive.

Name, surname and function of the signatory:

Roberto Bruña - Owner

Place: San Salvador, Cantabria

Date: 01.10.2026
